**NOTICE OF AMENDED TERMINAL DISCLAIMER**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Included herein is an Amended Terminal Disclaimer (Exhibit A) filed to correct a discrepancy in an Original Terminal Disclaimer (Exhibit B), which was included in a Response filed on August 26, 2004 to the Office Action dated June 4, 2004 issued in the above-identified application.

U.S. Application No. 10/615,550

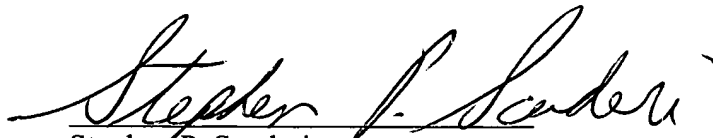

The Original Terminal Disclaimer was signed on behalf of the assignee (owner), along with a required Statement under 37 CFR 3.73(b). However the Statement did not include the required reel and frame number of the assignment.

To correct the above discrepancy, this Amended Terminal Disclaimer is being filed and signed by the attorney of record, rather than by the assignee. Accordingly, no Statement under 37 CFR 3.73(b) is required.

Included herein is a check for \$55.00 made payable to the Commissioner for Patents to cover the filing fee for the Amended Terminal Disclaimer. Applicant believes no additional fees are due for this Notice.

The Examiner is invited to contact Applicant's representative at the below-listed phone number with any questions.

Respectfully submitted
